DISCLAIMER: Please be aware that when you wear this garment you are projecting an image to the public you serve. Some images may be disturbing or possibly insensitive to some elements of the viewing public and may reflect back on you personally or the agency with which you are associated. When having contact with young children, whether at a public education event or actual firefighting where rescue may be involved, teaching them to not be fearful of a firefighter in PPE may be a lifesaver! Please make sure that any logo or artwork that may invoke fear in a child is not used during these circumstances. Should you have any questions about this please make contact with appropriate officers within your fire department command staff/ organization. There is a risk of color bleed. Please be advised that water and perspiration could contribute to color transference or color bleed. It is difficult for us to guarantee that even following proper washing instructions that you will avoid color transference or color bleed.
