

CERTIFICATE OF COMPLIANCE

Certificate Number MH25768
Report Reference MH25768-20180808
Issue Date 2022-June-01

Issued to: Majestic Fire Apparel Inc.
255 Wagner Street
P.O. Box 248
Lehighton, PA 18235

This certificate confirms that representative samples of Structural Fire Fighting Hoods and Structural Fire Fighting Hoods with Limited Particulate Blocking Protection
See Addendum

Have been evaluated by UL in accordance with the Standard(s) indicated on this Certificate.

Standard(s) for Safety: NFPA 1971, Standard on Protective Ensembles for Structural Fire Fighting and Proximity Fire Fighting, 2018 Edition

Additional Information: See UL Product iQ® at <https://iq.ulprospector.com> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.
